INDEPENDENT AUDITOR'S REPORT

TO THE MEMBER OF EUPHORIA INFOTECH (INDIA) LIMITED REPORT ON THE AUDIT OF STANDALONE FINANCIAL STATEMENTS

Opinion

We have audited the accompanying standalone financial statements of **EUPHORIA INFOTECH (INDIA) LIMITED ("the Company")** which comprises the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss, and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (The Act) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and **profit**, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

RESPONSIBILITY OF MANAGEMENT FOR THE STANDALONE FINANCIAL STATEMENTS

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Guwahati : Sancheti Enclave, S.C. Das Road, Athgaon, Guwahati - 781001 | E-Mail : capriyankalunia89@gmail.com

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

AUDITOR'S RESPONSIBILITY FOR THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system with reference to the standalone financial statements in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure 'A' a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - e. On the basis of the written representations received from the directors as on 31st March 2023 taken on record by the Board of Directors, none of the directors are disqualified as on 31st March 2023 from being appointed as a director in terms of Section 164 (2) of the Act;
 - f. With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure 'B'.
 - g. As the company was a Private company as on 31st March, 2023, the provision of section 197 read with schedule V of the Companies Act, 2013 is not applicable to the company.
 - h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - I. The Company does not have any pending litigations which will impact its financial position other than those as stated in clause (vii) of Annexure- A to the independent auditor's report.
 - II. The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
 - III. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the company.
 - IV. a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entity(ies), including foreign entities ("Intermediaries") with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever

by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the ultimate Beneficiaries; and

c) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub clause (IV) (a) and (IV) (b) contain any material mis-statement.

V. There was no dividend declared or paid during the year by the company.

ANNEXURE-A TO THE INDEPENDENT AUDITOR'S REPORT

The Annexure referred to in paragraph 1 under the heading "Report on Other Legal and Regulatory Requirements" of our Independent Auditors' Report of even date in respect to statutory audit of for the year ended 31 March 2023, we report that:

- i. (a)
 1. The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant & Equipment;
 2. The Company has maintained proper records showing full particulars of intangible assets.
 - (b) According to the information and explanations given to us, the company has a regular programme of physical verification of its Property, Plant & Equipment by which Property, Plant & Equipment have been physically verified by the management in a phased manner, designed to cover all the items over a period of three years, which in our opinion, is reasonable having regard to the size of the company and nature of its business. Pursuant to the programme, a portion of the property, plant & equipment has been physically verified by the management during the year and no materials discrepancies were noticed on such verification.
 - (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, we report that, the title deed of all the immovable properties (Other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee), as disclosed in Note No.13 on Property, Plant and Equipment to the Standalone Financial Statements, are held in the name of the Company.
 - (d) According to the information and explanations given to us and on the basis of our examination of the records, the Company has not revalued any of its property, plant and equipment or intangible assets during the year. Accordingly, the reporting under Clause 3(i)(d) of the Order is not applicable to the Company.
 - (e) Based on the information and explanations furnished to us, no proceedings have been initiated on or are pending against the Company for holding Benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in its standalone financial statements does not arise.
- ii.
 - a) According to the information and explanations given to us and the records examined by us, the inventory has been physically verified at reasonable intervals by the management during the year. In our opinion the coverage and procedures of such verification by Management is appropriate. The discrepancies noticed on physical verification of inventory as compared to book records were not 10% or more in aggregate for each class of inventory.
 - b) According to the information and explanations given to us and on the basis of our examination of the records of the company, the Company has not been sanctioned working capital limits in excess

of Rs. 5 crores, in aggregate, from bank on the basis of security of current assets at any point of time of the year. Accordingly reporting under clause 3(ii)(b) of the order is not applicable to the company.

iii.

- a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the company has granted advances in the nature of loan to one Company during the year. The Company has not made any investment in, provided any guarantee or security or granted any loan to Companies, firms, Limited Liability Partnerships or any other parties during the year. However, in earlier years the company has made investments in one company. The aggregate amount during the year, and balance outstanding at the balance sheet date with respect to such advances in the nature of advance are as per the table given below:

Company Name	Nature	Amount(Rs.)
Trickshot Solution Private Limited	Advance	15.11

- b) In respect of the aforesaid advances in the nature of loans, the terms and conditions under which such advances in the nature of loan were granted are not prejudicial to the Company's interest, based on the information and explanations provided by the Company.
- c) In respect of advances in the nature of loans amounting to the schedule of repayment of principal and payment of interest has not been stipulated. Hence, we are unable to comment on the regularity of repayment of principal and payment of interest. As per the explanations given to us by the management, the principal amount of such advances in the nature of loans (Interest free) are repayable on demand and hence, the same will be paid on mutual agreement between the parties.
- d) Since the schedule of repayment of principal and payment of interest has not been stipulated in respect of advances in the nature of loans granted to companies, we are unable to comment whether such loans have become overdue for more than 90 days.
- e) There have been no loans granted which has fallen due during the year and has been renewed or extended. Further, no fresh loans were granted to same parties to settle the existing overdue loans/advances in nature of loan.
- f) The Company has granted advances in the nature of Loans which are repayable on demand or without specifying any terms or period of repayment, details of which are given below:

	Promoters (Rs in Lakh)	Related Parties balance at the year end (Rs in Lakh)
Aggregate of loans/ advances in the nature of loans: - Repayable on demand (A) - Agreement does not specify any terms or period of repayment (B)	0.45	15.11
Total (A+B)	0.45	15.11
Percentage of loans/advances in the nature of loans to the total loans	100%	100%

(Loan granted for which the schedule of repayment of principal and payment of interest has not been stipulated are considered repayable on demand by the management)

- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Companies Act, 2013 in respect of loans and investments made, if any by the Company. There are no guarantees, and securities granted in respect of which provisions of section 186 of the Companies Act, 2013 are applicable and hence not commented upon.
- v. The Company has not accepted any deposits or amounts which are deemed to be deposits within the meaning of the provisions of Sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed there under (to the extent applicable) and the directives issued by the Reserve Bank of India.
- vi. According to information and explanations given to us, the Central Government has not prescribed maintenance of cost records under Section 148(1) of the Companies Act, 2013 in respect of activities carried on by the Company.
- vii. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the company is generally regular in depositing undisputed statutory dues including goods & service tax, provident fund, employees state insurance for employees income tax, sales tax, duty of customs, value added tax, cess and other material statutory dues with the appropriate authorities to the extent applicable to it *though there has been a slight delay in few cases*. According to the information and explanations given to us, no undisputed amounts payable in respect of the above were in arrears as at 31 March 2023 for a period of more than six months from the date they became payable *except for the following* :

Serial Number	Nature of Dues	Amount Outstanding (Rs. Lakhs)
i)	Tax Deducted at source	3.26

- (b) According to the information and explanations given to us, the following statutory dues as referred to in sub-clause (a) as at March 31, 2023 which have not been deposited on account of a dispute:

S No.	Nature of Statute	Nature of Dues	Amount (Rs. in Lakhs)	Period to which amount relates	Date of Order
i)	Income tax Act, 1961	Income Tax	10,31.07	A.Y. 2017-18	31.03.2022
ii)	Income tax Act, 1961	TDS	0.03	A.Y. 2022-23	As per Traces Portal
iii)	Income tax Act, 1961	TDS	0.59	F.Y. 2021-22	
iv)	Income tax Act, 1961	TDS	1.77	F.Y. 2021-21	
v)	Income tax Act, 1961	TDS	2.68	F.Y. 2019-20	
vi)	Income tax Act, 1961	TDS	0.12	Prior Periods	

- viii. As per the information, explanations and records provided, there were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.
- ix.
- a. As per the information and records provided, in our opinion, the Company has not defaulted in the repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.
 - b. As per the information and explanations provided to us, during the year the Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
 - c. To the best of our knowledge and belief, in our opinion, term loans availed by the Company were, applied by the Company during the year for the purposes for which the loans were obtained.
 - d. On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used, during the year for long-term purposes by the Company.
 - e. According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
 - f. According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies
- x.
- a. The company has not raised any monies by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, clause 3(x) (a) of the Order is not applicable.
 - b. According to the information and explanations give to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the year. Accordingly, clause 3(x) (b) of the Order is not applicable.
- xi.
- a. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the management.
 - b. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, a report under Section 143(12) of the Act, in Form

ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed with the Central Government. Accordingly, the reporting under Clause 3(xi) (b) of the Order is not applicable to the Company.

c. As represented to us by the Management, there were no whistle blower complaints received by the Company during the year and up to the date of this report.

xii. The Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it. hence reporting under clause 3(xii) of the Order is not applicable to the Company.

xiii. In our opinion and according to the information and explanations given to us, the Company is in compliance with the provisions of Section 188 and 177 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.

xiv.

(a) In our opinion and according to the information and explanation given to us, the Company is not required to have an internal audit system commensurate with the size and nature of its business in terms of the provision of section 138 of Companies Act, 2013.

(b) Since the company does not have internal audit system, the reports of the Internal Auditor for the period under audit have not been considered by us.

xv. Based upon the audit procedures performed and the information and explanations given by the management, the company has not entered into any non-cash transactions during the year with its directors or persons connected with him and hence provisions of Section 192 of the Companies Act, 2013 are not applicable to the Company.

xvi.

ANNEXURE - B TO THE INDEPENDENT AUDITOR'S REPORT

The Annexure referred to in paragraph 2 (f) under the heading "Report on Other Legal and Regulatory Requirements" of our Independent Auditors' Report of even date in respect to the internal financial control under clause (i) of sub-section 3 of section 143 of the Act of for the year ended 31 March 2023, we report that:

We have audited the internal financial controls with reference to the standalone financial statements of **EUPHORIA INFOTECH (INDIA) LIMITED**("the Company") as of 31st March 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls with reference to the financial statement based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013 to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the financial statement was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to the financial statement and their operating effectiveness. Our audit of internal financial controls with reference to the financial statement included obtaining an understanding of internal financial controls with reference to the financial statement, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to the financial statement.

MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO THE FINANCIAL STATEMENT

A company's internal financial control with reference to the financial statement is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to the financial statement includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO THE FINANCIAL STATEMENT

Because of the inherent limitations of internal financial controls with reference to the financial statement, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the financial statement to future periods are subject to the risk that the internal financial control with reference to the financial statement reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to the financial statement and such internal financial controls over financial reporting were operating effectively as at 31 March 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over financial reporting issued by ICAI.

30 Disclosure pursuant to Accounting Standard - 15 'Employee Benefits' as notified u/s 133 of the Companies Act, 2013

30.1 Defined Benefit Plan:

The following are the types of defined benefit plans:

a Gratuity Plan

15 days salary for every completed year of service. Vesting period is 5 years and payment is restricted to Rs. 20 lacs. The present value of defined obligation and related current cost are measured using the Projected Credit Method with actuarial valuation being carried out at each balance sheet date.

b Risk Exposure

Through its defined benefit plans, the company is exposed to a number of risks, the most significant of which are detailed below:

Interest Rates Risk	The defined benefit obligation calculated uses a discount rate based on government bonds. If bond yields fall, the defined benefit obligation will tend to increase. Thus the plan exposes the Company to the risk of fall in interest rates. Some times, the fall can be permanent, due to a paradigm shift in interest rate scenarios because of economic or fiscal reasons. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability (as shown in financial statements). Even for funded schemes, a paradigm downward shift in bond yields may affect the reinvestment yields and may increase ultimate costs.
Salary Inflation Risk	The present value of the defined benefit plan is calculated with the assumption of salary escalation rate(SER), which is applied to find the salary of plan participants in future, at the time of separation Higher than expected increases in salary will increase the defined benefit obligation and will have an exponential effect.
Demographic Risk	Demographic assumptions are required to assess the timing and probability of a payment taking place. This is the risk of volatility of results due to unexpected nature of decrements that include mortality, attrition, disability and retirement. The effects of this decrement on the DBO depend upon the combination salary increase, discount rate, and vesting criteria and therefore not very straight forward. It is important not to overstate withdrawal rate because the cost of retirement benefit of a short serving employees will be less compared to long service employees.
Actuarial Risk	It is the risk that benefits will cost more than expected. This can arise due to one of the following reasons: Adverse Salary Growth Experience: Salary hikes that are higher than the assumed salary escalation will result into an increase in Obligation at a rate that is higher than expected. Variability in mortality rates: If actual mortality rates are higher than assumed mortality rate assumption than the Gratuity benefits will be paid earlier than expected. Since there is no condition of vesting on the death benefit, the acceleration of cash flow will lead to an actuarial loss or gain depending on the relative values of the assumed salary growth and discount rate. Variability in withdrawal rates: If actual withdrawal rates are higher than assumed withdrawal rate assumption than the Gratuity benefits will be paid earlier than expected. The impact of this will depend on whether the benefits are vested as at the resignation date.
Liquidity Risk	Employees with high salaries and long durations or those higher in hierarchy, accumulate significant level of benefits. If some of such employees resign / retire from the company there can be strain on the cash flows.
Asset Liability Mismatch:	This will come into play unless the funds are invested with a term of the assets replicating the term of the liability
Investment Risk:	For funded plans that rely on insurers for managing the assets, the value of assets certified by the insurer may not be the fair value of instruments backing the liability. In such cases, the present value of the assets is independent of the future discount rate. This can result in wide fluctuations in the net liability or the funded status if there are significant changes in the discount rate during the inter-valuation period.
Market Risk:	Market risk is a collective term for risks that are related to the changes and fluctuations of the financial markets. One actuarial assumption that has a material effect is the discount rate. The discount rate reflects the time value of money. An increase in discount rate leads to decrease in Defined Benefit Obligation of the plan benefits & vice versa. This assumption depends on the yields on the corporate / government bonds and hence the valuation of liability is exposed to fluctuations in the yields as at the valuation date.
Legislative Risk/Regulatory Risk:	Legislative risk is the risk of increase in the plan liabilities or reduction in the plan assets due to change in the legislation / regulation. The government may amend the Payment of Gratuity Act thus requiring the companies to pay higher benefits to the employees. This will directly affect the present value of the Defined Benefit Obligation. The new labour code is a case in point. And the same will have to be recognized immediately in the year when any such amendment is effective.

c Reconciliation of the net defined benefit (asset)/ liability

The following table shows a reconciliation from the opening balances to the closing balances for the net defined benefit (asset)/ liability and its components:

g Maturity Profile of Defined Benefit Obligations

Expected benefits payment	Discounted Values/Present Values	Undiscounted Values/Actual Values
Year 1	1.19	1.25
Year 2	1.08	1.22
Year 3	0.93	1.14
Year 4	0.78	1.02
Year 5	0.69	0.97

h Sensitivity Analysis

The sensitivity analyses below have been determined based on a method that extrapolates the impact on defined benefit obligation as a result of reasonable changes in key assumptions occurring at the end of the reporting period. Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below:

Particulars	Gratuity (31.03.2023)		
	% Increase in Defined Benefit Obligation	Liability	Increase / Decrease in Defined Benefit Obligations
Effect on DBO due to 1% increase in Discount Rate	-8.73%	14.43	(1.38)
Effect on DBO due to 1% decrease in Discount Rate	10.18%	17.42	1.61
Effect on DBO due to 1% increase in Salary Escalation Rate	9.80%	17.36	1.55
Effect on DBO due to 1% decrease in Salary Escalation Rate	-8.53%	14.46	(1.35)
Effect on DBO due to 1% increase in Attrition Rate	-0.29%	15.76	(0.05)
Effect on DBO due to 1% decrease in Attrition Rate	0.33%	15.86	0.05
Mortality rate 10% Up	0.01%	15.81	(0.00)

While one of the parameters mentioned above is changed by 100 basis points, Other parameters are kept unchanged for evaluating the DBO. While there is no change in the method used for sensitivity analysis from previous period, the change in assumptions now considered are with reference to the current assumptions.

Although the analysis does not take account of the full distribution of cash flows expected under the plan, it does provide an approximation of the sensitivity of the assumptions shown.

- 31 Certain trade receivables, loans & advances and creditors are subject to confirmation. In the opinion of the management, the value of trade receivables and loans & advances on realisation in the ordinary course of business, will not be less than the value at which these are stated in the balance sheet.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF EUPHORIA INFOTECH (INDIA) LIMITED

Report on the Audit of Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **EUPHORIA INFOTECH (INDIA) LIMITED** ("the company"), and its associate (the Company and its associate together referred to as "the Group"), which comprises the consolidated Balance Sheet as at 31st March, 2023, the consolidated Statement of Profit and Loss and the consolidated Cash Flow Statement for the year then ended, and notes to the consolidated financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the Act) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Group as at 31st March 2023, its profits, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Responsibilities of Management for the Consolidated Financial Statements

The Parent company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act.

The respective Board of Directors of the companies included in the Group are responsible for maintenance of the adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Guwahati : Sancheti Enclave, S.C. Das Road, Athgaon, Guwahati - 781001 | **E-Mail :** capriyankalunia89@gmail.com

In preparing consolidated financial statements, respective Board of Directors of companies included in Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the group has adequate internal financial controls system with reference to the consolidated financial statement in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. With respect to the matters specified in paragraphs 3(xxi) and 4 of the companies (Audit's Reports) order, 2020 (the "Order"/ "Caro") issued by the Central Government in terms of Sec 143(11) of the act, to be include in the Auditor's report, according to the information and explanation given to us, and based on the CARO reports issued by us for the Company & its subsidiary included in the consolidated financial statement of the Company, we report that there are no qualification or adverse remarks in the CARO report.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the consolidated financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept by the Group so far as it appears from our examination of those books.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014
 - e) On the basis of the written representations received from the directors of the Parent Company as on 31st March, 2023 taken on record by the Board of Directors of the Parent Company and the reports of the statutory auditors of the subsidiary company incorporated in India, none of the directors of the Group companies is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to the consolidated financial statements of the Group and the operating effectiveness of such controls refer to our separate Report in "Annexure A".
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which will impact its financial position other than those as stated in clause (vii) of Annexure- A to the independent auditor's report on the audit of standalone financial statements.
 - ii. The Group did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Group.
 - iv. (a) The respective managements of the Company and its subsidiaries which are company incorporated in India whose financial statements have been audited under the Act, have represented that, to the best of their knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company or its subsidiary to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly, lend or invest in other persons or entities

identified in any manner whatsoever by or on behalf of the Company or its subsidiary ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The respective managements of the Company and its subsidiaries which are company incorporated in India whose financial statements have been audited under the Act, have represented that, to the best of its knowledge and belief, no funds have been received by the Company or its subsidiary from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company or its subsidiary shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

v. There was no dividend declared or paid during the year by the Group.

ANNEXURE - A TO THE INDEPENDENT AUDITOR'S REPORT

The Annexure referred to in paragraph 1 (f) under the heading "Report on Other Legal and Regulatory Requirements" of our Independent Auditors' Report of even date in respect to the internal financial control under clause (i) of sub-section 3 of section 143 of the Act of M/s EUPHORIA INFOTECH INDIA LIMITED for the year ended 31 March 2023, we report that:

We have audited the internal financial controls with reference to the consolidated financial statements of **EUPHORIA INFOTECH INDIA LIMITED** ("the Company") and its subsidiary (herein after to be referred as "the Group") as of 31st March 2023 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Group management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to group policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Group internal financial controls with reference to the financial statement based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the financial statement was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to the financial statement and their operating effectiveness. Our audit of internal financial controls with reference to the financial statement included obtaining an understanding of internal financial controls with reference to the financial statement, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group internal financial controls system with reference to the financial statement.

MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO THE FINANCIAL STATEMENT

A company's internal financial control with reference to the financial statement is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to the financial statement includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO THE FINANCIAL STATEMENT

Because of the inherent limitations of internal financial controls with reference to the financial statement, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the financial statement to future periods are subject to the risk that the internal financial control with reference to the financial statement may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Group has, in all material respects, an adequate internal financial controls system with reference to the financial statement and such internal financial controls over financial reporting were operating effectively as at 31st March 2023, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

30 Disclosure pursuant to Accounting Standard - 15 'Employee Benefits' as notified u/s 133 of the Companies Act, 2013

30.1 Defined Benefit Plan:

The following are the types of defined benefit plans:

a Gratuity Plan

15 days salary for every completed year of service. Vesting period is 5 years and payment is restricted to Rs. 20 lacs. The present value of defined obligation and related current cost are measured using the Projected Credit Method with actuarial valuation being carried out at each balance sheet date.

b Risk Exposure

Through its defined benefit plans, the company is exposed to a number of risks, the most significant of which are detailed below:

Interest Rates Risk	The defined benefit obligation calculated uses a discount rate based on government bonds. If bond yields fall, the defined benefit obligation will tend to increase. Thus the plan exposes the Company to the risk of fall in interest rates. Some times, the fall can be permanent, due to a paradigm shift in interest rate scenarios because of economic or fiscal reasons. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability (as shown in financial statements). Even for funded schemes, a paradigm downward shift in bond yields may affect the reinvestment yields and may increase ultimate costs.
Salary Inflation Risk	The present value of the defined benefit plan is calculated with the assumption of salary escalation rate(SER), which is applied to find the salary of plan participants in future, at the time of separation Higher than expected increases in salary will increase the defined benefit obligation and will have an exponential effect.
Demographic Risk	Demographic assumptions are required to assess the timing and probability of a payment taking place. This is the risk of volatility of results due to unexpected nature of decrements that include mortality, attrition, disability and retirement. The effects of this decrement on the DBO depend upon the combination salary increase, discount rate, and vesting criteria and therefore not very straight forward. It is important not to overstate withdrawal rate because the cost of retirement benefit of a short serving employees will be less compared to long service employees.
Actuarial Risk	It is the risk that benefits will cost more than expected. This can arise due to one of the following reasons: Adverse Salary Growth Experience: Salary hikes that are higher than the assumed salary escalation will result into an increase in Obligation at a rate that is higher than expected. Variability in mortality rates: If actual mortality rates are higher than assumed mortality rate assumption than the Gratuity benefits will be paid earlier than expected. Since there is no condition of vesting on the death benefit, the acceleration of cash flow will lead to an actuarial loss or gain depending on the relative values of the assumed salary growth and discount rate. Variability in withdrawal rates: If actual withdrawal rates are higher than assumed withdrawal rate assumption than the Gratuity benefits will be paid earlier than expected. The impact of this will depend on whether the benefits are vested as at the resignation date.
Liquidity Risk	Employees with high salaries and long durations or those higher in hierarchy, accumulate significant level of benefits. If some of such employees resign / retire from the company there can be strain on the cash flows.
Asset Liability Mismatch:	This will come into play unless the funds are invested with a term of the assets replicating the term of the liability
Investment Risk:	For funded plans that rely on insurers for managing the assets, the value of assets certified by the insurer may not be the fair value of instruments backing the liability. In such cases, the present value of the assets is independent of the future discount rate. This can result in wide fluctuations in the net liability or the funded status if there are significant changes in the discount rate during the inter-valuation period.
Market Risk:	Market risk is a collective term for risks that are related to the changes and fluctuations of the financial markets. One actuarial assumption that has a material effect is the discount rate. The discount rate reflects the time value of money. An increase in discount rate leads to decrease in Defined Benefit Obligation of the plan benefits & vice versa. This assumption depends on the yields on the corporate / government bonds and hence the valuation of liability is exposed to fluctuations in the yields as at the valuation date.
Legislative Risk/Regulatory Risk:	Legislative risk is the risk of increase in the plan liabilities or reduction in the plan assets due to change in the legislation / regulation. The government may amend the Payment of Gratuity Act thus requiring the companies to pay higher benefits to the employees. This will directly affect the present value of the Defined Benefit Obligation. The new labour code is a case in point. And the same will have to be recognized immediately in the year when any such amendment is effective.

c Reconciliation of the net defined benefit (asset)/ liability

The following table shows a reconciliation from the opening balances to the closing balances for the net defined benefit (asset)/ liability and its components:

Particulars	Gratuity

e Actuarial Assumptions

Particulars	Gratuity
	2022-23
Financial Assumptions	
Discount Rate	7.48%
Salary Escalation Rate	7%
Attrition Rates	10%
Demographic Assumptions	
Mortality Rate	(% of IALM 2012-14)
Disability Rate	5%
Withdrawal Rate	
Grades Rate from Age 40	7.89%
Grades Rate from Age 45	5.26%
Grades Rate from Age 50	2.63%
Grades Rate from Age 55	1.32%

Note : Retirement Age 60

f The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

g Maturity Profile of Defined Benefit Obligations

Expected benefits payment	Discounted Values/Present Values	Undiscounted Values/Actual Values
Year 1	1.19	1.25
Year 2	1.08	1.22
Year 3	0.93	1.14
Year 4	0.78	1.02
Year 5	0.69	0.97

h Sensitivity Analysis

The sensitivity analyses below have been determined based on a method that extrapolates the impact on defined benefit obligation as a result of reasonable changes in key assumptions occurring at the end of the reporting period. Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below:

Particulars	Gratuity (31.03.2023)		
	% Increase in Defined Benefit Obligation	Liability	Increase / Decrease in Defined Benefit Obligations
Effect on DBO due to 1% increase in Discount Rate	-8.73%	14.43	(1.38)
Effect on DBO due to 1% decrease in Discount Rate	10.18%	17.42	1.61
Effect on DBO due to 1% increase in Salary Escalation Rate	9.80%	17.36	1.55
Effect on DBO due to 1% decrease in Salary Escalation Rate	-8.53%	14.46	(1.35)
Effect on DBO due to 1% increase in Attrition Rate	-0.29%	15.76	(0.05)
Effect on DBO due to 1% decrease in Attrition Rate	0.33%	15.86	0.05
Mortality rate 10% Up	0.01%	15.81	(0.00)

While one of the parameters mentioned above is changed by 100 basis points, Other parameters are kept unchanged for evaluating the DBO While there is no change in the method used for sensitivity analysis from previous period, the change in assumptions now considered are with reference to the current assumptions.

Although the analysis does not take account of the full distribution of cash flows expected under the plan, it does provide an approximation of the sensitivity of the assumptions shown.

31 Certain trade receivables ,loans & advances and creditors are subject to confirmation. In the opinion of the management, the value of trade receivables and loans & advances on realisation in the ordinary course of business, will not be less than the value at which these are stated in the balance sheet.
